

Royal Manor Health Care Flu Vaccination Campaign

Dear Patients,

We will be holding our annual **Flu Vaccination Clinic** on the **8th and the 29th October – 8.00am - 1.00pm**

Invites will be sent via text message which will contain a link to book your own appointment, if you struggle to use this link, contact the surgery on 01305 820422 and one of the care navigator team will be happy to help. Please do not worry if you do not have a mobile phone as we will send you a letter with details on how to book. Please do not contact the Surgery before you have received your invitation.

Our over 65's and 'At Risk' patients will be invited in the first instance, and our patients aged between 50 and 64 (not at risk) will be invited later.

This year we will be requesting an up to date weight if possible, this is to update records and ensure that medication dosages are accurate. We will send you a link to your mobile phone to enable you to update your own weight, alternatively you can let us know on the day. If you do not know your weight, we have scales available to use at the Surgery.

Please wear light (weather dependant), loose clothing that is easy for the vaccinator to reach the sight of injection.

Please attend as close to your appointment time as possible, this will reduce your wait and the amount of people in the surgery at one time.

Please note – if you are registered housebound, we will contact you to arrange your vaccination at home.

We thank you for your help in the smooth running of our flu vaccination campaign.

RMHC
